

VIRGINIA EXPOSITION.

A SPLENDID AND VARIED PROGRAMME ARRANGED. A Reproduction of the Last Days of Pompeii. Competitive Drills by Troops from This and Other States.

Several splendid attractions have been added to the programme for the forthcoming Exposition during the past week. First and foremost is Pompeii, the reproduction of the most catastrophic scene with startling scenic effects, showing the city as it was in its last days.

The open competitive drill arranged by the society for the opening day of the Exposition has met with general approval, and it promises to give surprise and interest to the thousands of people for the Virginia and North Carolina companies.

Following is the proposed programme of the Virginia Agricultural, Mechanical and Commercial Exposition, to be held under the auspices of the Virginia Agricultural, Mechanical and Commercial Exposition, to be held under the auspices of the Virginia Agricultural, Mechanical and Commercial Exposition.
